CARLOS JEROME TUAZON

REGISTERED CIVIL ENGINEER | QUANTITY SURVEYOR | SAFETY OFFICER II

cjtuazon05@gmail.com • +63 961 373 0779 • Cavite, Philippines • linkedin.com/in/engrtuazon

PROFESSIONAL SUMMARY

Registered Civil Engineer and Quantity Surveyor skilled in quantity takeoffs, BOQs, DUPA, and bid documents for telecom, data center, residential, and industrial projects. Automates estimating workflows in Excel, including a macro that auto-generates DPA formats from any BOQ. Certified Safety Officer II with a Water Resources Engineering background.

WORK EXPERIENCE

JUNIOR QUANTITY SURVEYOR
September 2026 – Present

EFB GEOSTRUKT, INC. | San Pedro, Laguna

- Delivered BOQs and cost estimates worth **PHP 70M+** (VAT-ex) across telecom, data center, residential, and industrial projects.
- Prepared BOQs and DUPAs for **2 awarded** residential contracts (exterior and triplex works) totaling **PHP 2.4M**.
- Priced the supply and installation of 7,000–10,000 L diesel fuel tanks for **10 telecom sites** nationwide, totaling **PHP 66.5M**.
- Generated PlanSwift quantity takeoffs and developed DUPAs breaking down material, labor, and equipment costs.
- Built an Excel VBA macro that auto-generates DPA formats for all BOQ items in one click: **83 in seconds** vs. **~7 hours** manually.
- Compiled bid documents, budgetary estimates, and **4 cost proposals** totaling **PHP 1.8M** for data center enhancement works.
- Evaluated sites after contract award to validate scope and quantities for telecom tower retrofits, rehabilitation, and new builds.
- **Key projects:** Data Center Waterproofing, Marikina (PHP 6.6M) • 6-Storey Mixed-Use Building • 900MWp Solar Power Plant Warehouse, Isabela

PROJECT COORDINATOR
June 2025 – August 2026

Natural Stone Fabrication & Installation

- Estimated material, labor, and installation costs for stone fabrication projects through detailed quantity takeoffs.
- Built a web-based slab selection and estimation system that streamlined the quoting process.

TECHNICAL ENGINEER (Intern)
August 2023 – January 2024

BUILD & BUILD CORP. | Antipolo, Rizal

- Prepared Bill of Quantities (BOQ) for a 4-storey mall extension covering structural, architectural, and MEP works.
- Reviewed residential drawings to support accurate on-site implementation and resolve design-related concerns.

SITE ENGINEER (Intern)
August 2022 – January 2023

BLAS TECHNOLOGIES INC. | Alabang, Muntinlupa City

- Monitored schedules and prepared weekly progress reports on accomplishments, resource allocation, and project risks.
- Conducted punch listing and tracked outstanding deficiencies prior to project turnover.

EDUCATION

BS CIVIL ENGINEERING – Major in Water Resources Engineering
Graduated: October 2024

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES – Sta. Mesa, Manila

- President's List, 2020–2022 | Overall GPA: 1.44 (1.00 highest)
- **Thesis (2023):** Inundation Analysis for a Proposed Detention Basin Using EPA-SWMM Model at Barangay Saog, Marilao, Bulacan – presented at an International Conference on EQC, Taiwan
- Junior PICE Officer, PUP Chapter – Philippine Institute of Civil Engineers

LICENSES, CERTIFICATIONS & TRAINING

- **Registered Civil Engineer** | Professional Regulation Commission (PRC)
- **Certified Safety Officer II (SO2)** | 40-Hour Construction Occupational Safety and Health (COSH) Training + 2-Hour Training of Trainers (TOT)
- **PlanSwift & Primavera P6 Workshop** | MSTConnect Educational Consultancy
- **Driver's License** | Non-Professional, Restrictions A & B

TECHNICAL SKILLS

Quantity Surveying & Construction

Quantity Takeoff & BOQ Preparation, Material Takeoff & Bill of Materials (BOM), Cost Estimation & DUPA, Budgetary Estimates, Bidding & Tender Documents, Site Inspection & Evaluation, Project Monitoring & Reporting, Punch Listing

Engineering Software

Advanced: Microsoft Excel, PlanSwift, SketchUp
Working Knowledge: AutoCAD, Primavera P6, ArcGIS, EPA-SWMM
